

Diese Grenze verhinderte, daß wir zusammen gegen andere Völker in den Krieg ziehen

Graffiti on the remaining parts of the State Border between GDR and FRG

The fight against war and annexation

Die D-Mark wurde uns gebracht - und die Betriebe dicht-gemacht!

"The D-Mark was brought to us - and the factories were closed!" This was an action for the tenth anniversary of the institution of the FRG's D-Mark as a common currency

WURDE DIESE GRENZE AUFGEHOBEN, DAMIT WIR ZUSAMMEN GEGEN ANDERE VÖLKER IN DEN KRIEG ZIEHEN?

"Has this border been removed so that we can now march against other peoples together?" We were part of the united action of organizations and GDR citizens that took place at the Brandenburger Tor in Berlin under this motto, against the war of aggression against Yugoslavia.

Wo kann ich zurücktauschen?

The GDR was given away for it. It was a cheat and a bad deal: bananas, the D-Mark and a passport to travel with in exchange of education, housing you can pay, employment... This is why at the tenth anniversary we asked people in the streets: "Where can I change back to my old GDR-Mark?"

Wo kann ich zurücktauschen?

Fabriken und Land wieder in unsere Hand!

Freie Wahlen

Freiheit und Wohlstand - Nie wieder Sozialismus

Anschluß nach Art. 23 GG, egal wie

Ten years are over, but one plus one is still two!!! Street theater and agitation at the tenth anniversary of the annexation of the GDR.
