

**Anyone who thinks the FDJ will leave the field after October 3rd is wrong! The FDJ will continue the fight! The FDJ will continue to be the force that wants to bring every young person here, in the East or in the West, into the fight against this - actually so weak - beast! We will be in Berlin on October 3rd. We will march from the once large Karl-Marx-Allee to the Brandenburg Gate. And yes, we're going to give this beast a push! Join! Because 30 years are actually enough! Because revolution and socialism can no longer be deleted from history!**
