Dear Comrades,

On behalf of the Central Committee of the League of Communist Youth of Yugoslavia (SKOJ) we send warm greetings to you, our dear comrades from **Freie Deutsche Jugend (FDJ)**. We welcome this demonstration and all the people present.

Imperialism, the High Stage of Capitalism. Capitalism is in deep crisis. This situation opens new perspectives for the communist and workers' parties. The revolutionary alternative of changing capitalism is getting more and more actual. We are convinced that the communist parties should demonstrate the revolutionary option to entire popular strata.

The SKOJ highly values the relations of friendship and solidarity between our organizations. Therefore, we are sure that the death of Philip Müller will never be neither forgotten nor in vain.

Long live international solidarity, long live socialism!

Long live FDJ!

Long live SKOJ!
